*"Be ye therefore followers of God, as dear children;" Eph 5:1*

Thank you for your faithful prayers for our family and our ministry. God continues to show His amazing care for us.

Thank you for your prayers for our Secondary Candidates. All 33 passed the UCE exam very well. Not one student failed a subject. As a school we had a B average. All students qualify to go on to either A Level (11<sup>th</sup> & 12<sup>th</sup> Grade) or a vocational school. We have started a program where we try to help students who have faithfully served the Lord while in school here. We look for sponsors for them to continue in schooling. We have 4 students we are praying for God to provide scholarships for. So far (2) sponsors have reached out and supplied the needs. Brendah and Edward have enrolled in A

Level in Eagles Wings High School. Thank you for your support. We still need 2 sponsors for students who want to go to vocational school. \$400 per year is the cost of this higher education.

We are praising God for providing the new building for our Nursery School! With new building, we are able to split the school into 3 classes. Baby Class, Middle Class and Top Class. This is such a big help in the development of these young minds. Our Nursery teachers absolutely love the new facility! We are praying for God to provide for some playground equipment. We use all of the space that God has given us. The old nursery building has been converted into the Secondary Science Lab and Tailoring Classroom. We are using one of the church offices as a computer lab. We are finally using the temporary girls dorm for its intended purpose as a Dining Hall. Thank you for

your faithful prayers and support of our ministry, without your generosity we be so far behind where we are now.

Our Primary and Secondary Schools have started the new year off well. We currently have 450 students enrolled. Several students have received Christ as their Savior already! We look forward to baptismal services soon. Please pray with us to reach these young people with the Gospel. We are also praying for a Youth Pastor to come alongside and help in the discipleship and spiritual development of the youth that God has entrusted to us.

We are so thankful that God has called us to this place for this purpose.

We are excited to see the growth of this ministry and are so thankful for our prayer warriors. Our whole family who is here absolutely loves being in this ministry. Our boys enjoy playing sports and spending time with the youth of this ministry.

We thank God for each of you! We truly appreciate your prayers and your partnership with us in this ministry that God has called us into. It is a privilege to serve Christ alongside our partners.
