August-November 2024

Dear Praying Churches and Friends,

Praise God for whom all blessings flow. Our hearts are full of joy for God's abundance mercy and grace we receive daily. He has been there for us in every area of our lives, and glory to His name. Our hearts are also full of gratitude to you all for all the prayers and financial support we receive from you. Thank you so much, and I pray that my God shall supply all your needs according to His riches in glory in Christ Jesus.

Family Update:

God has been so good to my family, we are doing well physically. My wife teaches pastors' wives in the area who are also independent Baptist preachers' wives. She has been doing this since August 2024. One of the reasons for this is to help the

new pastor's wives with good solid teaching of God's word. My children are doing well in their classes.

Church Ministry:

The churches are doing well. We now have the privilege to preach in the prison in our city. We thank the Lord for the Prison Alliance International who partners with our church to reach the prisoners with the Gospel. Brother Ponfa, the Pastor of Faithway Baptist Church will be in charge of the prison ministry. Also, we have a widow's program coming up on December, 22nd, 2024, this is an opportunity to reach many widows with the gospel. Our purpose is to preach to

them and share some basic needs with them. Please pray and consider supporting

the program with whatever the Lord lays on your heart. We are expecting about 100 widows in the service. We are still trusting the Lord for the bus because the need for this bus is great.

Radio Ministry:

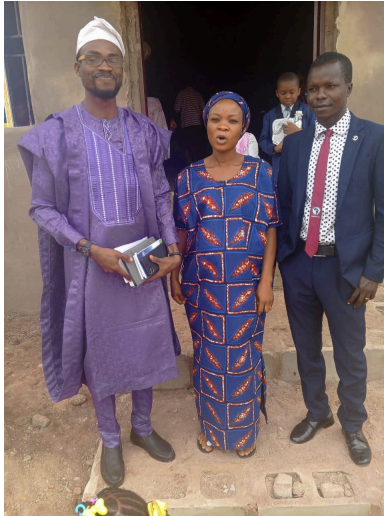

We are praying to start another radio program that will be in English so that we can reach more people who do not speak our language. Please pray for the provision of this project. We need \$200 for 13 weeks on air.

Support for Our Men:

I have three men who are serving alongside me, two of them are married, and

one is still single. I have been supporting them through the monthly support I receive from you, but I hope that securing support for each of them at \$200 per month would significantly ease their financial burdens and enable them to devote themselves to the work of the ministry. We firmly believe that investing in these men will have a lasting impact on the church's growth. Furthermore, we're thrilled to share that in the past five years, five preachers from our church have emerged, and our goal is to send them out to establish churches

throughout Nigeria.

Prayer Requests:

Pray for wisdom, God's power, our safety, and good health.

Pray for my wife's strength and the well-being of my children.

Pray for a church van that can be used for transportation and evangelism.

Pray for John to complete his Bible college studies and for support for these men.

Pray for our other church projects, including the church fence and exterior painting.

Pray for the provision of the new church plant.

Pray for more laborers in the harvest.

Thank you immensely for your prayers and support.

Faithful in the Lord,

Abraham Adeyemi,

Co-laborer in the Gospel.
